## Terms of Use of Thermo Finance Holding Limited

Please read these terms of use carefully before you start to use our website, as these will apply to your use of our website. We recommend that you print a copy of this for future reference. By using our Site, you confirm that you accept these terms of use and that you agree to comply with them. If you do not agree to these terms of use, you must not use our Site.

Welcome to [Thermofinance.com](https://thermofinance.com) and [app.Thermofinance.com](https://app.thermofinance.com) (the "Website"), provided by Thermo Technologies Holding Limited ("Company", "we" or "us"). The Company is registered in the British Virgin Islands and our registered office is at Robert Skelton Building, 3076 Francis Drake Highway, Road Town, Tortola, VG1110, British Virgin Islands.

This page (the "Terms") forms an agreement between you and us and sets forth the terms and conditions by which you may access and use our protocols, applications and content (including but not limited to the Website) (collectively, the "Interface"). For purposes of these Terms, "you" and "your" means you as the user of the Interface.

The Terms form a legally binding agreement between you and us. Please read them carefully and we recommend that you seek legal advice on these Terms to understand your use of the Interface. If you do not agree to these Terms, you must not access or use the Interface.

### The Application

The Interface provides functionality for you to interact with the Thermo Finance protocol a permissionless non-custodial protocol for the lending and borrowing of crypto assets). The Interface also provides the following non-custodial functions, including depositing, withdrawal, minting, burning, transferring, swapping, and shorting of crypto assets.

For the avoidance of doubt, the Company does not control or operate the Thermo Finance Protocol and that protocol is managed, controlled and operated by the holders of the protocol-native governance tokens called the Thermo Finance Token ("**THERMO**"). For further information on the Thermo Finance Protocol, please visit: [Thermofinance.gitbook.io](https://thermofinance.gitbook.io).

## Accepting the Terms

By accessing or using the Interface, you confirm that you can form a binding contract with us, that you accept these Terms and that you agree to comply with them. Your access to and use of the Interface is also subject to our Privacy Policy, the terms of which can be found directly on the Website and is incorporated herein by reference. The Interface may directly or indirectly collect and temporarily store personally identifiable information for operational purposes, including for the purpose of identifying blockchain addresses or IP addresses that may indicate use of the Interface from prohibited jurisdictions or by sanctioned persons or other Prohibited Uses. Except as required by applicable law, there will be no obligation of confidentiality with respect to any information collected.

If you are accessing or using the Interface on behalf of a business or entity, then (a) “you” and “your” includes you and that business or entity, (b) you represent and warrant that you are an authorized representative of the business or entity with the authority to bind the entity to these Terms, and that you agree to these Terms on the entity’s behalf, and (c) your business or entity is legally and financially responsible for your access or use of the Interface. You can accept the Terms by accessing or using the Interface. You understand and agree that we will treat your access or use of the Interface as acceptance of the Terms from that point onwards.

## Changes to the Terms of Service

We may amend these Terms from time to time, for instance when we update the functionality of the Interface or when there are regulatory changes. We may use commercially reasonable efforts to generally notify all users of any material changes to these Terms, such as through a notice on the Interface, however, you should look at the Terms regularly to review the most up-to-date version and to check for such changes. If you do not agree to the new Terms, you must stop accessing or using the Interface.
